February 18 – President's Day

February's
Safety Reminder:

Winter Weather Tips

Keep your pet safe this winter by remembering the following:

- Always bring your pets inside when the temperature is below freezing.
- Wipe off your dog's paws after going outside in the winter. Ice-melting chemicals can make pets sick!
- Don't let pets lick antifreeze, it's poisonous for them to eat!
- If you see wandering strays during cold weather, call your local animal control agency.

Stay up to date on your local winter weather reports with alerts provided by The National Weather Service.

Pedestrians and Drivers!

- Watch out for black ice when crossing the street!
- Black ice is a hazard for both pedestrians and drivers, as pedestrians may slip and fall, and drivers may lose control of their vehicle.
- Drivers may have a harder time spotting black ice while in motion, especially when it's dark outside.

How to spot black ice:

- If the pavement is dry but you are seeing spots of pavement that look dark and glossy, those areas may be black ice.
- Black ice is common on bridges, overpasses, or areas in the shade.

Additional Winter Driving Tips:

- Stay off the roads during winter storms.
- Keep an emergency kit in your car with:
 - o Jumper cables
 - o Warm clothes & blankets
 - o Bottled water & snacks
 - o Spare cell phone charger
 - o Flares
 - o Ice scraper

Local Spotlight

MATTHEW "BRETT" SPRINKLE

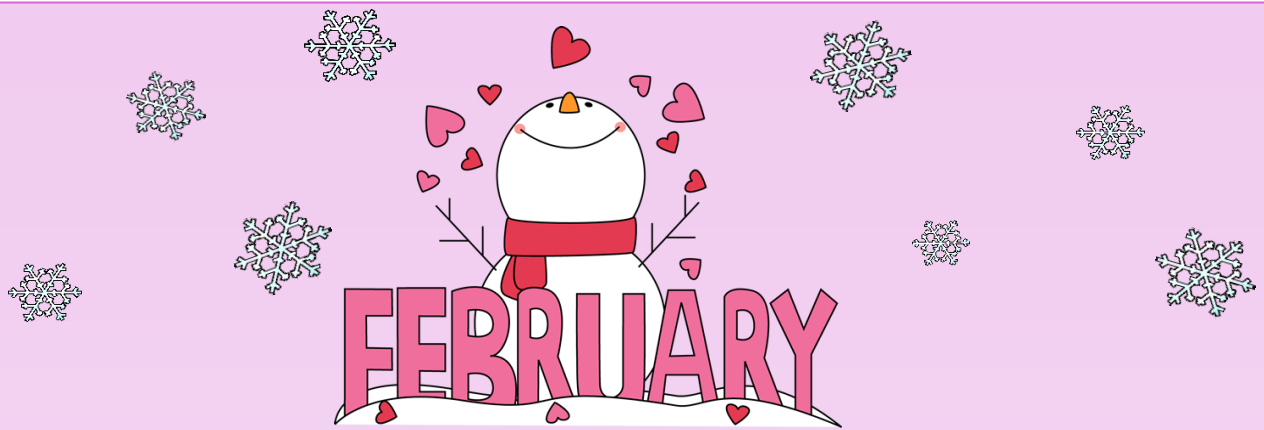

Meet Matthew, who goes by Brett.

Brett works at Marshalls, his favorite place to shop.
"They have good deals!"

He enjoys getting to work alongside friends from Roseburg High School, and his favorite thing to do while working is greet people – so don't forget to say hello on your next visit to Marshalls!

"This is my game face!" - Brett
