## MEET JEFF

Jeff has worked in the community under both paid and volunteer positions. He has worked with Wildlife Safari, Douglas County Fair Grounds, and businesses that his father and brother have owned.

After a fire burned down the family's business, Jeff's late father assisted him with obtaining a job at the Winston Chevron. Jeff is supported naturally by his co-workers as he unloads freight and organizes merchandise.

Jeff states that he loves his job at Chevron, and he knows his father would be proud of him.
