## Featured Story of the Month

Jonathan and Timothy Yaws recently went on a trip to Las Vegas to watch a NASCAR race.

The brothers got to meet one of the NASCAR drivers named David Ragan before a race!

David was extremely gracious, and the Yaws family were so happy to get to meet him!

They watched him race after taking photos with him.

- 🌸 Earth Day was created by a Wisconsin senator after an oil spill in California in 1969.
- 🌸 Earth Day became an official holiday on April 22, 1970.
- 🌸 The first Earth Day saw 20 million Americans take to the streets in support through demonstrations, fundraisers, nature walks, speeches, concerts, and more.
- 🌸 Although it started as an American holiday, it is now supported internationally as “Mother Earth Day”.

Students assemble a globe on the National Mall in Washington D.C. in 1995.
