Success Spotlight

“Katie’s passion for LEGO’s”

Katie holding her first place “movie scene” from Jurassic park.

Katie has always had a passion for LEGO’s, and recently started volunteering at Bricks & Minifigs Eugene - LEGO® Resale Store. While there, she ensures every LEGO set has all the pieces, builds sets for displays, and straightens the figurines.

Katie also has started competing in LEGO building competitions held at the store where competitors must use their own LEGO’s to build something related to the designated theme.

She has earned 3rd and 2nd place titles, and most recently won first place with her “movie scene” from Jurassic Park.

Way to go Katie!
