Keeping Current

Reminder: Our doors are still closed to the public due to the COVID-19 pandemic, however, staff are available via phone or video call.

We look forward to the day when we can safely reopen. Until then, we hope everyone is doing their best to stay safe during these unprecedented times.

Remember, the best way to prevent illness is to wash your hands often, wear a mask in public settings or when in close quarters with those outside of your immediate household, and practice social distancing.

Vaccines for COVID-19 are also widely available. If you are interested in getting a vaccine but don't know where to go, contact your PA. They can assist you in locating a clinic in your area or provide information on how to contact your Local Public Health Authority.

“Twenty years now
Where they go?
Twenty years
I don't know
I sit and I wonder sometimes
Where they've gone”
(Bob Segar – Like a Rock)

August 27, 2001, Southern Oregon Regional Brokerage formed as a nonprofit corporation in Oregon. We've been going strong ever since.

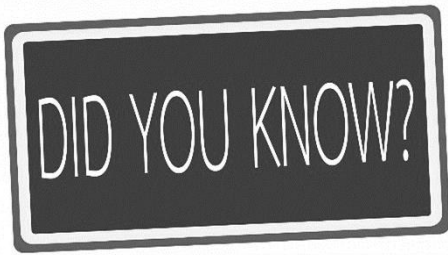

Over the last 2 decades there have been many changes. Rules. Services. Technology. Staff. Locations. Even our name. We are now known as **Connections Case Mgmt.**

The one thing that has not changed is our commitment to providing customers and their families the highest level of service possible.

All of us at Connections Case Mgmt look forward to continuing serving persons with I/DD in Douglas, Coos, Curry and Klamath Falls over the next 20 years and beyond.

Sincerely,

Robin Mouser

Open People

Have you heard of Open People?

Open People is a peer-to-peer group named and operated by adults with developmental and intellectual disabilities. The purpose of the group is for CCM customers to come together in a safe environment to overcome barriers, build confidence, and encourage self-advocacy through communication, teamwork, and problem solving – all while having fun and forming friendships.

While we are not meeting in person due to COVID-19, we are still providing opportunities to connect via Zoom!
