## Looking for fun ways to connect?

### Check out our Open People Peer Group!

Open People is a peer-to-peer group named and operated by adults with developmental and intellectual disabilities.

The purpose of the group is for Connections Case Mgmt. (CCM) customers to come together in a safe environment to overcome barriers, build confidence, and encourage self-advocacy through communication, teamwork, and problem solving – all while having fun and forming friendships.

### Open People provides customers opportunity to:

- Connect and build lasting friendships
- Grow confidence and self-advocacy
- Problem solve and address barriers
- Participate in life enriching activities and educational opportunities
- Share interests, skills, and talents

**Due to COVID, Open People meetings and events are held via Zoom.** We look forward to the day we can connect in-person again, but until then, please check out our virtual opportunities!

Events are posted in our monthly newsletter and on our [website](#) and [Facebook](#) page!
