The day has finally come!

In response to the reopening of Oregon communities and the cessation of the Governor's State of Emergency declaration regarding the COVID-19 pandemic, Connections Case Mgmt. (CCM) is pleased to announce that **our offices are officially reopening May 1st!**

After 2 very long years, we are overjoyed to finally be here, with doors wide open once again.

Most of our staff are back in office full-time, however, we do have some that are still transitioning from remote working. If you need to meet with a particular staff member, we encourage you to **schedule an appointment** as they may not be available for drop ins.

Out of an abundance of caution CCM staff will continue to wear PPE (masks) during meetings for the time being. **Masks and hand sanitizer will be made available** at the front desk for anyone who needs or wants them.

We are hopeful that our 'reopening' will be permanent but given that the state of the COVID-19 pandemic changes daily, we will continue to evaluate our safety measures at the end of each month. All changes and updates will be posted on our website www.connections.cm.org and Facebook page www.facebook.com/ConnectionsCaseMgmt/

Stay safe and see you soon!
