In-Person Open People is Back!

It's hard to believe it's been close to 3 years since our Open People groups last gathered in person. Since then, we've tried to keep the spirit of Open People alive via virtual opportunities. While we had fun on Zoom, we are beyond excited to be in a space where we can gather together (in-person) once again!

So, what is Open People?

Open People is a peer-to-peer group exclusively for Connections Case Mgmt. (CCM) customers! Open People provides opportunities to:

- Connect and build lasting friendships!
- Grow confidence and self-advocacy.
- Problem solves and address barriers.
- Participate in life enriching activities and educational opportunities.
- Share interests, skills, and talents.

There is an Open People group in each county we serve (Coos, Curry, Douglas and Klamath). Meetings/events typically occur once a month, though schedules vary depending on the county.

If you're interested in learning more or want to know about upcoming events, contact your PA or check out our website <https://connections.cm.org/> or Facebook page.
